

PVRFC NEWSLETTER AUGUST 2020

Welcome to our August Newsletter -Rugby is back

NatWest Week-end

The club has secured a grant from NatWest to help enable our clean-up plans which are set for the week-end of the 5th and 6th September. We need you to help!

Please spare a couple of hours to come along and finish off the club pavilion and its surroundings.

We are planning a big clean up of all the areas as we transform the pavilion from a building site into a fully functional clubhouse we can all use. We need volunteers to come along and clean up the areas, the club will provide the materials we just need some elbow grease from you. Working parties will be divided up to ensure Covid-19 compliance and we have a wide range of tasks to be completed. Come along and see exactly what the clubhouse looks like and add your mark to this community project.

Please contact Steve Park by email at info@pewseyrugby.co.uk or text interested to 07968 123406 to let us know if you can do Saturday 5th September AM/PM, or Sunday 6th September AM/PM. Refreshments will be provided.

Training has Started

We are now at stage C in the RFU's route back to rugby. This means we can play team games and continue to train. Seniors train every Tuesday and are looking to extend this to twice a week adding Thursdays.

Junior training for all age groups starts Sunday morning 13th September.

All training will be under strict Covid -19 prevention conditions which requires self assessments, strict adherence to training regimes, regular disinfections and the like to ensure we maintain the best conditions for player and spectator safety.

Self assessment forms can be downloaded from the club's web-site and remember no paperwork means no training.

Senior Fixtures

We are scheduled to start playing on the 3rd October if conditions allow. If we are prevented from playing each fixture roll over to later in the 2021 season so as to be able to complete as many fixtures as possible. The fixture list will be published with our next newsletter

Club Ball

It is still our intention to hold the club black tie ball at the Bouverie Hall on Saturday 5th December. Of course that will require a relaxation of the current restrictive Covid-19 conditions. Please keep the date free, more information to follow.

Stay safe and enjoy your rugby
